Love that Alters. Love is not love that alters when it alteration

It is the final definition of love by the world's greatest reader of the human mind,—Shakespeare. Nearly all women who truly love, love in this sublime way. Men seldom do.

Men seldom do.

Woman's most glorious endowment is
the power to awaken and hold the pure
and honest love of a worthy man. When
she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N.Y., with the assistance of his staff of able play. with the assistance of his staff of able phy scicans, has prescribed for many thousands of women. "I was afflicted with kidney trouble and I have always had a torpid liver," writes Mrs. E. Crosswhite, of Duffau, Krath.Co., Texas. "When I commenced your medicine I was not able to stand on my feet. I used one bottle of Dr. Pierce's Favorite Prescription and five vials of his 'Pleasant Pellets.' I am now well. I had not waiked in four mouths when I commenced the treatment, but in ten days I was able to walk everywhere."
